Writing Feedback

Coherence and Cohesion: The response demonstrates a reasonable level of coherence and cohesion. There is a clear overall structure with some attempt to use paragraphing and linking words to guide the reader.

Lexical Resource: Vocabulary is more varied and appropriate for the task. There is an attempt to use a range of words and phrases, though some may be used imprecisely.

Grammatical Range and Accuracy: The response exhibits a good range of sentence structures with relatively few grammatical errors. Verb tenses are used with greater accuracy, though some mistakes may still occur.
