SECRETARY OF THE COUNSELING DEPARTMENT **FORMADIKIP**

FORUM MAHASISWA BIDIKMISI DAN KIP - KULIAH UNIVERSITY OF SINGAPERBANGSA KARAWANG

Formadikip is the Forum for Bidikmisi and KIP-Kuliah Students. This forum focuses on developing the potential of over 200 KIP-K scholarship recipients at UNSIKA. Alongside 50 other board members, I serve at the forefront, supporting the scholarship recipients who are members of this forum. As the Secretary of the Department, my role involves handling all administrative tasks, correspondence, and various reports, including weekly, monthly, and end-of-term reports.

In Formadikip, I not only serve as the Secretary of the Counseling Department but also as the Program Coordinator for Teman Dengar and Formadikip Mental Health. As a department focused on mental health, we are committed to addressing social health issues. In the Teman Dengar program, I initiated the creation of a mascot, "Si Yumi: Your Mental Bestie," to help counselees feel more open about their issues. For Formadikip Mental Health, I served as the Chief Organizer of a talk show program that successfully attracted a national audience of 1,500 people. Throughout our term, the Counseling Department was awarded the Best Department for the June - July 2023 period. Personally, my involvement in Formadikip extends beyond my department. I have actively participated as a committee member, volunteer, and participant in other departmental programs, including the National Seminar with the Ministry of Education, Culture, Research, and Technology of the Republic of Indonesia, Formadikip Environmental Care, Formadikip Neo Education and Culture Fair, and the Sharing Movement with Formadikip.
